In the April issue we reproduced a letter from Mike Nixon, but due to a problem we omitted the photograph showing his new door handles. We would like to correct this.

Below is an up to date photograph. Regrettably Mike has decided to sell the car please see cars for sale.

A message from Dave Lewis.

We are still literally only a handful of members short to make the required number to get the Carburettor Heat Shields into production. Please contact Dave to express your interest in this project, it would be a shame if we had to abandon it for the sake of a few names. Please contact Dave on 01622 737706 or e-mail david.lewis44@tiscali.co.uk

A message from Andy Rayner at Hutsons.
