

I wonder had I met a friendly and charming ghost or not ? However he had wished me..... "Merry Christmas !"

As we drove down the lane to Moreton-in-Marsh it occurred to me that the message in those merry blue twinkling eyes was that I should pass on his message to all our readers and "Cotswold Runners" so.....

"Merry Christmas !"

## TOOLBOX

## YOUR LETTERS

---

Dear John,

Concerning windscreen wipers, David Parkin put me in touch with Tony Collard of Tex Automotives Limited of Windrush Industrial Park, Whitney, Oxon OX8 5HA

They carry a stock of wiper blades, but do not supply rubber refills separately.

The part number is B00308 and the individual cost is as follows:-

Blade and holder	£5.90 each
Postage	£3.00
Hand polishing (optional)	£1.25

Tony Collard operates from various offices but his fax number is 01993 776930, and he assures me that a fax sent to that number will definitely be sent on to him. A letter addressed to him personally at the above address would probably not be opened until he is next at the Whitney address.

He told me that hand polishing is well worth doing, and I will sample that when I order my replacements.

Yours sincerely,

Tim Chapman

---

Dear John,

Further to my note on wipers.....the 8" TEX are available from the Morris Minor Centre but also our local Servu sell new rubbers so on the original pair, I have replaced
